Scientific Assistant in the Max Planck Research Group under the frame of EMBO Installation Grant at the  
MAŁOPOLSKA CENTRE OF BIOTECHNOLOGY**

Eligible contestants must meet the requirements in art. 109, which was established in 27.07.2005 followed by the Law on Higher Education (Dz. U. nr 164, poz. 1365, z późn. zm.) and meet the following qualification criteria:

- 1) Possess a doctoral degree
- 2) High dissertation or thesis evaluation with a scientific supervisor's confirmation
- 3) An opinion from a department director or academic supervisor in regards to the qualifications and abilities of the candidate to research and teaching.
- 4) Overall scientific achievements in addition to a dissertation and other leading positions;
- 5) In the case of possessing doctoral degree – active participation in scientific life manifesting itself, in particular, in the speeches at conferences and symposiums.

The ideal candidate should:

- 1) Hold a doctoral degree/PhD in biotechnology, biochemistry, molecular cell biology or any related field of life sciences
- 2) Have a strong expertise in molecular biology, cell biology and structural biology
- 3) Have international research experience (ideally scientific research outside of Poland for no less than 3 years)
- 4) Have excellent written and oral communication skills in English (essential)
- 5) Have good presentation skills (ideally having presented on at least one international research conference)
- 6) enjoy working in a highly collaborative and interdisciplinary environment
- 7) enjoy scientifically supporting and actively interacting with other members of the lab
- 8) Have published at least two publications as first author in an international peer reviewed journal

Candidate should submit the following documents (in English) to the Malopolska Centre of Biotechnology office, Krakow ul. Gronostajowa 7A, room 3/12 or electronically via email: [justyna.supel@uj.edu.pl](mailto:justyna.supel@uj.edu.pl):

- 1) Motivation letter
- 2) CV
- 3) Personal questionnaire
- 4) A copy of a doctoral or master's degree
- 5) A list of publications (including the publisher and page number)
- 6) Information about taught classes and lectures
- 7) Listed scientific activities
- 8) Opinion from a department director or academic supervisor
- 9) A statement that Jagiellonian University will be the primary workplace in the case of being hired
- 10) A statement pursuant to art.10 item 1 of the Law of Higher Education
- 11) A statement of consent to assign the minimum amount of staff as needed
- 12) Establish the right to confer doctoral and postdoctoral and/or for the purpose of creating/running a higher education major if hired
- 13) A statement of knowledge and acceptance of the rules on intellectual property and legal protection of intellectual property

**The deadline for submitting applications is 27th April 2016. The outcome of the contest will take place on 9th May 2016.**

The application form also must include: *"I hereby authorize you to process my personal data included in my job application for the needs of the recruitment process" (in accordance with the Act of 29 August 1997 on the protection of personal data, Dz. U. No 133, item. 883, as amended).*

On behalf of  
the Rector of the Jagiellonian University  
prof. dr hab. Kazimierz Strzałka  
Head of Malopolska Centre of Biotechnology Project
