## **COMPETITIVE SELECTION PROCESS NOTIFICATION**

**Director of the  
MALOPOLSKA CENTRE OF  
BIOTECHNOLOGY**

Address: ul. Gronostajowa 7A,  
30-387 Cracow  
Tel. / fax.: 12 663 53 69

Krakow, 15.04.2021

**RECTOR  
of the Jagiellonian University  
announces a competitive selection process for the two post  
ASSISTANT  
in the research staff**  
in the Plant Molecular Biology Laboratory group  
at the MALOPOLSKA CENTRE OF BIOTECHNOLOGY  
within the scope of Molecular Biology  
(project Opus 19, National Science Centre)

The competitive selection process is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.4) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 166 of the Statute of the Jagiellonian University:

- 1) Holding at least a Master's degree, Master of Science degree or an equivalent degree;
- 2) Exhibiting aptitude for research work;

The Plant Molecular Biology Laboratory (lab of Kenji Yamada) is carrying out research analysing the function of plant endomembrane systems such as the endoplasmic reticulum, vacuoles and peroxisomes. The laboratory is looking for two postdoctoral scientists to join a OPUS project entitled Successful candidates will join a project that aims to understand detailed molecular aspects of a plant defense system based on glucosinolate-myrosinase system. The duration of the contract is **six months**, and can be extended for four years maximum, depend on the activity.

### **Key responsibilities include:**

1. Analysis of transcriptional regulation for ER body formation that is involved in glucosinolate-myrosinase defence system,
2. Analysis of plant defence with establishing insect-plant or fungi-plant interaction assays,
3. Identification of new genes for glucosinolate-myrosinase defence system,
4. Cell biological and physiological analysis of newly identified factors in glucosinolate-myrosinase defence,
5. Work collaboratively with other laboratory members as a team.

You can find more information about the Plant Molecular Biology Laboratory on the website:

<http://www.mcb.uj.edu.pl/laboratorium-biologii-molekularnej-roslin>, or contact dr Kenji Yamada ([kenji.yamada@uj.edu.pl](mailto:kenji.yamada@uj.edu.pl)).

**The ideal candidate should:**

- 1) have a master's degree in molecular biology, plant biology or related discipline
- 2) have a strong experience in one of following research areas:
  - i) plant cell biology and plant molecular biology
  - ii) plant pathology and plant insect interaction
- 3) have good written and oral communication skills in English
- 4) have a strong research publications list or awards - would be an advantage
- 5) show a good level of independence, self-motivation and reliability

The candidates, who would like to take part in the competitive selection process, should submit the following documents (in English) to the Malopolska Centre of Biotechnology office, Cracow ul. Gronostajowa 7A, room 3/12 or electronically in the pdf format by email to [kenji.yamada@uj.edu.pl](mailto:kenji.yamada@uj.edu.pl). In email title please include "Opus 19 Postdoc"

1. application form;
2. resume;
3. personal questionnaire filled in by the candidate;
4. copy of the master's diploma or a doctoral diploma, if applicable;
5. information on the candidate's scientific, teaching and organisational achievements;
6. list of publications (along with the respective publishing houses and the number of pages), if applicable;
7. latest performance evaluation form, if the candidate was subject to such evaluation;
8. recommendation concerning the candidate's ability to work as an academic teacher, issued by the director of the organisational unit or a scientific supervisor, including the results of student surveys and evaluations, if the candidate was subject to such evaluation, as well as recommendation concerning the candidate's scientific work;
9. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the competitive selection process;
10. declaration under Article 113 of the Law on Higher Education and Science;
11. declaration on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University;
12. information regarding processing of personal data;

**Opening date: 15.04.2021**

**Application submission deadline: 14.05.2021**

The competitive selection process will be concluded by 21.05.2021

The Jagiellonian University does not provide housing.

**Declaration forms can be obtained at:**

<http://www.dso.uj.edu.pl/-nauczyciele>

On behalf of  
the Rector of the Jagiellonian University

*prof. dr Danuta Earnshaw*  
Director of Malopolska Centre of Biotechnology

## Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, represented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer [www.iod.uj.edu.pl](http://www.iod.uj.edu.pl), Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: [iod@uj.edu.pl](mailto:iod@uj.edu.pl) or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
  - a. conduct recruitment process for the position specified in the advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
  - b. conduct recruitment process for the position specified in the advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide your personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: [mcb@uj.edu.pl](mailto:mcb@uj.edu.pl) or by post to the following address: Małopolskie Centrum Biotechnologii, Uniwersytet Jagielloński, ul. Gronostajowa 7A, 30-387 Kraków, or you can withdraw your consent in person at Małopolskie Centrum Biotechnologii, Uniwersytet Jagielloński, ul. Gronostajowa 7A, 30-387 Kraków
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
