Phone: Fax: 12 663 53 69

Krakow, 22.11.2021

RECTOR
of the Jagiellonian University

**announces a competitive
selection process for the post of
an ASSISTANT PROFESSOR
in the research staff**

of Molecular Mechanisms of Disease Lab
based at Malopolska Centre of Biotechnology
within Sonata-Bis project

We are looking for an enthusiastic scientist to join our group, who will be engaged in scientific project looking for the molecular background of increased endothelial permeability in iPSC-derived endothelial cells with mutation in HNF1A as occurring in HNF1A-MODY patients.

The selected candidate will join the group headed by dr Neli Kachamakova-Trojanowska, at Malopolska Centre of Biotechnology in Krakow, Poland.

The competitive selection process is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.3) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 165 of the Statute of the Jagiellonian University:

- 1) Holding at least a doctoral degree;
- 2) Having relevant scientific achievements;
- 3) Taking active part in scientific life;
- 4) Having experience in teaching work – this requirement does not apply to candidates for positions in the research staff member group.

Specific required qualifications:

1. PhD degree in molecular biology or similar (biology, biochemistry, medical biology, biotechnology);
2. Extensive experience in cell biology and gene editing techniques as well as hands on imaging and FACS techniques; experience in cell calcium signaling analysis will be advantageous; experience in bioinformatic analysis or cell functional metabolomics will be advantageous;
3. English language at minimal B2+ level; ability to read, understand and write in scientific English;
4. usage and knowledge of computer software;
5. the successful candidate should have teamwork abilities, solicitude and scientific activity;
6. desire to learn and apply new research techniques.

Additional requirements due to employment in the frame of the NCN-funded Sonata-Bis project:

- in the last two years before taking up employment in the project, the person was not employed under an employment contract in the entity where the research project will be implemented;
- obtained a doctoral degree not earlier than 7 years before the year of employment in the project (taking into account the breaks specified in the definition of a post-doc type position contained in the Regulations on awarding funds for the implementation of tasks financed by the National Science Center).

The candidates, who would like to take part in the competitive selection process, should submit the following documents to the secretary of Malopolska Centre of Biotechnology of the Jagiellonian University in Krakow room 3/12 **or electronically** in .pdf format (maximum file size is 50MB) by e-mail to the following address: neli.kachamakova-trojanowska@uj.edu.pl In the title of the e-mail, please enter "Assistant Professor" and your first and last name.

Required documents:

1. An application (cover letter) describing why the candidate wants to join the team and what they can offer,
2. Curriculum vitae (CV),
3. Brief description of the work to date (up to 2 pages),
4. List of publications,
5. Copy of the doctoral diploma,
6. References in writing from two people, including the previous supervisor / scientific tutor with predispositions about the candidate's research activity,
7. Personal questionnaire for a person applying for employment,
8. Statement that the Jagiellonian University will be the primary place of work in the event of winning the competition,
9. A declaration pursuant to Art. 113 of the Law on Higher Education and Science,
10. A declaration of knowledge and acceptance of the rules on intellectual property management and rules commercialization of the Jagiellonian University,
11. Information on the processing of personal data.

If applicable, please provide the following documents as well:

12. Information about any didactic classes,
13. Form of the last periodical evaluation, if the candidate was subject to such evaluation.

Opening date: 22.11.2021

Application submission deadline: 31.12.2021

The competitive selection process will be concluded by 10.01.2022

The Jagiellonian University does not provide housing.

Declaration forms can be obtained at:

On behalf of
the Rector of the Jagiellonian University

Director of Malopolska Centre of Biotechnology

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, represented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
 - a. conduct recruitment process for the position specified in the above this advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
 - b. conduct recruitment process for the position specified in the above this advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide you personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: : neli.kachamakova-trojanowska@uj.edu.pl or by post to the following address: **Malopolska Centre of Biotechnology**, registered office: Gronostajowa 7A, 30-387 Kraków, or you can withdraw your consent in person at **Malopolska Centre of Biotechnology**, registered office: Gronostajowa 7A, 30-387 Kraków.
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
