RECTOR
of the Jagiellonian University
announces a competitive selection process
for the post of an ASSISTANT PROFESSOR
in the research staff group
of the Faculty of Philosophy
in the field of digital transformation of the society

The competitive selection process is open for all individuals who meet the requirements set out in Articles 113 and 116.2.3) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 165 of the Statute of the Jagiellonian University:

1) holding at least a doctoral degree;
2) having relevant scientific achievements;
3) taking active part in scientific life, in particular by presenting their research at international conferences and symposia,

Relevant scientific achievements mean, among others, publications in reputable journals or reputable CORE-ranked conferences, dedicated to at least one of the following areas of digital transformation:
- multimodal tropes and creativity;
- research on augmented cognition and human-agent interaction;
- user experience and UX design.

By taking active part in scientific life it is understood that a candidate presented during international conferences and symposia dedicated to at least one of the above defined areas.

Additionally:
4) in the 2 years before the opening date of the competitive selection process they were not employed under an employment contract at the Jagiellonian University.

An ideal candidate should:

- have a track record of interdisciplinary scientific research or cooperation with socio-economic environment,
- have organisational experience, in particular a track record of participating in or obtaining external, competitive research funding,
- have experience in academic collaboration with leading research institutions,
- knowing how to actively collaborate with other members of a research group,
- have experience in popularising their research or innovative education,
- have excellent written and oral communication skills in English.
- have expert skills in: artificial intelligence, machine learning, data science, neuroscience, cognitive science, human-computer interaction, experimental research design.

The post holder is required to:

- publish articles in which JU is the only Polish affiliation in leading journals or at CORE-ranked conferences,
- engage in interdisciplinary research at Cognitive Department's Social Robotics team.

Employment for 33 months. For additional information on employment conditions contact adam.chuderski@uj.edu.pl

The candidates, who would like to take part in the competitive selection process, should send the following documents to the e-mail address filozof@uj.edu.pl:

1. letter of intent or interest;
2. resume which should contain: a list of publications, a list of awards and distinctions obtained, a list of internships and stays in research institutions, a list of completed and ongoing research projects (as a PI or contractor) with an indication of the funding sources,
3. personal questionnaire filled in by the candidate;
4. copy of the doctoral diploma or a diploma confirming the candidate's habilitation degree, if applicable;
5. information on the candidate's scientific, teaching and organisational achievements;
6. information about any academic courses taught;
7. reviews of a doctoral dissertation or habilitation thesis - if applicable;
8. two letters of recommendation;
9. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, in case of winning the selection process;
10. declaration under Article 113 of the Law on Higher Education and Science;
11. declaration on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University;
12. information regarding processing of personal data.

Opening date: January 14th, 2022
Application submission deadline: February 15th, 2022.
The competitive selection process will be concluded by March 24th, 2022
Date of commencement of work: October 1st 2022 at the latest.

The Jagiellonian University does not provide housing.

Declaration forms can be obtained at:

https://cso.uj.edu.pl/konkursy

When selecting candidates, the Jagiellonian University follows the principles set out in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

On behalf
of the Rector of the Jagiellonian University

the Dean of the Faculty of Philosophy

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, respresented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
   a. conduct recruitment process for the position specified in the advertisement for a job – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
   b. conduct recruitment process for the position specified in the advertisement for a job based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide you personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: filozof@uj.edu.pl .
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
