e-mail: wydzial.fais@uj.edu.pl

RECTOR

of the Jagiellonian University

**announces a competitive selection process for the post
of an ASSISTANT**

in the research staff member group

of the Faculty of Physics, Astronomy and Applied Computer Science

in academic discipline: Physical Sciences

in experimental research directly connected to subject of the project

“Understanding and controlling surface manipulation and wear processes on the nanoscale”

The competition is open to candidates who meet the requirements specified in Art. 113 and Art. 116(2)(2) of the Act of 20th July 2018: Law on Higher Education and Science and, in accordance with § 166 of the JU Charter, the following eligibility criteria:

- 1) At least a master degree in physical sciences, materials engineering or related fields;
- 2) A record of significant and original achievements in academic work;
- 3) A candidate should actively take part in academic life, in particular by presenting their research at international conferences and symposia,

Additional criteria:

- the academic achievements should be confirmed by a publication record in renowned journals.

An ideal candidate should:

- have experience and knowledge of AFM/STM microscopy techniques,
- participate in an ongoing academic collaboration with leading research institutions,
- have excellent written and oral communication skills in English.

The post holder is required to:

- be dedicated to research conducted in the scientific project
- publish articles in leading journals,
- present their research at international conferences

Jagiellonian University offers a full-time salary comprising base remuneration up to 24 months.

The candidates who would like to take part in the competitive selection process should send the following documents to the Project Manager of „**Understanding and controlling surface manipulation and wear processes on the nanoscale**” email address (enrico.gnecco@uj.edu.pl):

1. application form;
2. resume including: publication list, list of awards and distinctions, list of internships and stays at academic institutions; list of concluded and ongoing research projects (where the candidate was/is a Principal Investigator or Co-investigator), with their funding sources;
3. candidate's personal questionnaire
4. copy of the candidate's master degree;
5. information on the candidate's scientific achievements;
6. list of publications (specifying the publisher and number of pages);
7. at least one letter of recommendation;
8. candidate's declaration that the Jagiellonian University will be their primary place of work, should they be selected in the competitive selection process;
9. declaration under Article 113 of the Law on Higher Education and Science;
10. declaration on acknowledging and accepting the JU rules and regulations concerning intellectual property and commercialisation;
11. information on personal data processing.

Competition start date: 25.05. 2022.

Application deadline: 09.06.2022.

The competitive selection process will be concluded by 30.06.2022.

The Jagiellonian University does not provide housing.

Declaration forms are available at:

<https://cso.uj.edu.pl/-nauczyciele>

In the candidate selection process, the Jagiellonian University follows the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

On behalf of
the Rector of the Jagiellonian University
Dean of the Faculty of Faculty of Physics, Astronomy
and Applied Computer Science

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, respresented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
 - a. conduct recruitment process for the position specified in the advertisement for assistant at The Dean Of The Faculty Of Physics, Astronomy And Applied Computer Science – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
 - b. conduct recruitment process for the position specified in the advertisement for assistant at The Dean Of The Faculty Of Physics, Astronomy And Applied Computer Science based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide you personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: [magdalena.jurczyk@uj.edu.pl](mailto:magdalenajurczyk@uj.edu.pl) or by post to the following address: The Dean Of The Faculty Of Physics, Astronomy And Applied Computer Science Address: ul. prof. Stanisława Łojasiewicza 11 30-348 Kraków or you can withdraw your consent in person at Secretary Office of : The Dean Of The Faculty Of Physics, Astronomy And Applied Computer Science Address: prof. Stanisława Łojasiewicza 11 30-348 Kraków.
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
