30-387 Kraków

Phone/ Fax: 48 12 664 60 02 / 48 12 664 69 02

Krakow, 1st June 2022

**RECTOR
of the Jagiellonian University**

**announces a competitive
selection process for the post of
an ASSISTANT PROFESSOR
in the research staff member group**

of the Faculty of Biochemistry, Biophysics and Biotechnology
academic field of biological sciences

The competitive selection process is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.3) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 165 of the Statute of the Jagiellonian University:

- 1) Holding at least a doctoral degree;
- 2) Having relevant scientific achievements;
- 3) Taking active part in scientific life;

Additional requirements:

- 4) Scientific skills certified by co-authorship of research publications:
 - a. experience in working with laboratory animals (mice) or being ready to start animal work,
 - b. molecular biology techniques; experience in RNA sequencing, CHIPseq or similar techniques is particularly desirable,
 - c. experience in data analysis and bioinformatics or willingness to learn,
 - d. experience in flow cytometry and cell sorting will be appreciated,
- 5) Experience at work in research projects,
- 6) Fluency in English,
- 7) The ability to independently plan, conduct and document experiments,
- 8) The ability to work in a team,
- 9) In accordance with the National Science Center Regulations, a post-doc type post is a full-time post, scheduled by the project's principal investigator for a person who has obtained their PhD degree within 7 years before joining the project. This period may be extended by a time of long-term (in excess of 90 days) documented sick leaves or rehabilitation leaves granted on account of being unfit to work. In addition, the period may be extended by the number of months of a child care leave granted pursuant to the Labour Code and in the case of women, by 18 months for every child born or adopted, whichever manner of accounting for career breaks is preferable. Researchers who have been awarded a PhD degree by the host institution for the project **cannot be employed** as post-docs.

The candidates, who would like to take part in the competitive selection process, should submit the following documents to the Dean's Office of the Faculty of Biochemistry, Biophysics and Biotechnology of the Jagiellonian University in Krakow, ul. Gronostajowa 7, 30-387 Kraków, room D212 or electronically via email to agata.szade@uj.edu.pl; In the email title please include "SONATA Postdoc":

1. application form;
2. resume;
3. personal questionnaire filled in by the candidate;
4. copy of the doctoral diploma or a diploma confirming the candidate's habilitation degree, if applicable;
5. information on the candidate's scientific, teaching and organisational achievements;
6. list of publications (along with the respective publishing houses and the number of pages);
7. doctoral dissertation or habilitation dissertation review, if applicable;
8. latest performance evaluation form, if the candidate was subject to such evaluation;
9. recommendation concerning the candidate's research and teaching work, issued by the director of the organisational unit or a scientific supervisor, including the results of student surveys and evaluations, if the candidate was subject to such evaluation;
10. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the competitive selection process;
11. declaration under Article 113 of the Law on Higher Education and Science;
12. declaration on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University;

Biophysics And Biotechnology

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, represented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
 - a. conduct recruitment process for the position specified in the advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
 - b. conduct recruitment process for the position specified in the advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide you personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: sekretariat.wbib@uj.edu.pl or by post to the following address: **Dean's Office of the Faculty of Biochemistry, Biophysics and Biotechnology of the Jagiellonian University in Krakow, ul. Gronostajowa 7, 30-387 Kraków**, or you can withdraw your consent in person at **Dean's Office of the Faculty of Biochemistry, Biophysics and Biotechnology of the Jagiellonian University in Krakow, ul. Gronostajowa 7, 30-387 Kraków, room D212**.
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
