Project Title	<p>NCN OPUS 22 Project „The evolution of non-classical MHC class I genes and T-cell receptor repertoires in salamanders”</p>
Program / Project description	<p>We are looking for a candidate for position in the Genomics and Experimental Evolution research group at the Institute of Environmental Sciences of the Jagiellonian University. The candidate will be employed in a project which main objective is to study the evolution of non-classical MHC class I genes and T cell receptor repertoires in urodeles.</p> <p>The person employed in this position will identify non-classical class I MHC genes, study their ontogenetic expression profile in several urodele species and determine the ontogenetic profile of the diversity of receptor repertoires in the same species. Then, in cooperation with other team members, (s)he will carry out comparative analyzes aimed at testing the detailed research hypotheses formulated in the project. The task of the employed person will also be to prepare publications and present the results at international conferences. Additional explanations will be provided by the PI, prof. dr hab. Wieslaw Babik (wieslaw.babik@uj.edu.pl)</p>
Scope of duties	<p>according to the Work Regulations of the Jagiellonian University Annex 1 to the Work Regulations of the Jagiellonian University – Model scopes of responsibilities and duties of academic teachers</p>
We offer	<ul style="list-style-type: none"> • stable employment based on an employment contract at the renowned university, • cooperation with the interdisciplinary academic community represented by well-known scientists, • scientific support as well as the possibility of qualifications improvement and professional development, • access to research infrastructure, • benefits in the form of i.a. Multisport card, sports activities, medical packages, group insurance, • additional social benefits.
Required application documents	<ol style="list-style-type: none"> 1. resume, 2. personal questionnaire filled in by the candidate; 3. copy of the doctoral diploma or a diploma confirming the candidate's habilitation degree, if applicable; 4. information on the candidate's scientific, teaching and

	<p>organisational achievements;</p> <p>5. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the competitive selection process;</p> <p>6. declaration under Article 113 of the Law on Higher Education and Science;</p> <p>7. declaration on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University;</p> <p>Declaration forms (no. 5-7) and personal questionnaire template (no. 2) can be obtained at: https://cso.uj.edu.pl/en_GB/konkursy</p>
Additional application documents	<ol style="list-style-type: none"> list of publications with bibliographic details, doctoral dissertation or habilitation dissertation review, if applicable, recommendation concerning the candidate's research work, issued by the director of the organisational unit or a scientific supervisor
The course of selection procedure	<p>The first stage of the selection procedure is the formal assessment of the submitted documents. Applications which meet all formal requirements are the subject of substantive assessment, during which an interview with the Candidate may be conducted (directly or via electronic communication channels), upon settling the date of the interview with the Candidate. The Candidate has the right to appeal against the negative assessment by the selection board within 7 days from receiving the information about the results of the assessment.</p>
Form of submission	<p>by e-mail to the address: wieslaw.babik@uj.edu.pl, title: "Assistant Professor – evolutionary immunology"</p> <p>by post to the Institute of Environmental Sciences, the Faculty of Biology, Jagiellonian University, Gronostajowa 7, 30-387 Kraków with the note: "Assistant Professor – evolutionary immunology"</p> <p>personally at the Institute of Environmental Sciences, Faculty of Biology, Jagiellonian University, 7 Gronostajowa St.</p>
Deadline for submission of applications	March 31, 2023
Expected date of the selection procedure settlement	April 10, 2023
Method of communicating of the results of the selection procedure	by e-mail

On behalf of
the Rector of the Jagiellonian University
Professor Joanna Zalewska-Gałosz
Dean of the Faculty of Biology

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, respresented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
 - a. conduct recruitment process for the position specified in the above advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
 - b. conduct recruitment process for the position specified in the above advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide you personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: wieslaw.babik@uj.edu.pl or by post to the following address: **The Institute of Environmental Sciences of Faculty of Biology, Jagiellonian University, Gronostajowa 7, 30-387 Kraków** or you can withdraw your consent in person at the **Institute of Environmental Sciences of Faculty of Biology, Jagiellonian University, Gronostajowa 7, 30-387 Kraków**.
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
