INFORMATION ON SELECTION PROCEDURE

Date of selection procedure announcement	Kraków, May 5 th, 2023
Selection procedure information number given by the Centre for Human Resources	1227.1101.154.2023
Dean of the faculty	prof. dr hab. Włodzimierz Zwonek Dean of the Faculty of Mathematics and Computer Science
Address	st. Prof. S. Łojasiewicza 6 30-348 Krakow

RECTOR

of the Jagiellonian University

announces a selection procedure for the position of an

ASSISTANT PROFESSOR

Group of employees	Research staff
JU organisational unit)	Faculty of Mathematics and Computer Science st. prof. S. Łojasiewicza 6, 30-348 Krakow
Field of science	Natural sciences
Discipline	Computer and information sciences
Scope	Spiking neural networks
Number of posts	1
Type of employment	Associated profesor
Working time	Full-time
Planned duration of employment	until December 27th, 2023
Expected date of employment commencement	up to June 26th, 2023

Remuneration	according to the [Rules for Remunerating Jagiellonian University Employees](#)
Requirements	The selection procedure is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.3) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 165 of the Statute of the Jagiellonian University: • holding at least a doctoral degree; • having relevant scientific achievements; • taking active part in scientific life.
Additional requirements and expectations	• Knowledge of issues related to impulse neural networks, in particular teaching impulse neural networks. • English language.
Project Title	Program - CHIST-ERA Project - Unsupervised spiking neural networks with analog memristive devices for edge computing (UNICO).
Project description	The UNICO project proposes to address the material implementation of such SNNs by integrating in a dedicated hardware, the key ingredients at work in such SNNs. By gathering competences from material sciences, device engineering, neuromorphic engineering and machine learning, we will explore how such SNNs can be deployed on various computing tasks of interest for EC applications.
Scope of duties	Conducting research and development works related to the use of impulse neural networks to classify signals from Time of Flight (ToF) sensors, in particular the development of software to simulate the operation of impulse neural networks; development of methods for coding signals coming from the ToF sensor.
We offer	• stable employment based on an employment contract at the renowned university, • cooperation with the interdisciplinary academic community represented by well-known scientists, • scientific support as well as the possibility of qualifications improvement and professional development, • access to research infrastructure, • benefits in the form of i.a. Multisport card, sports activities, medical packages, group insurance, • additional social benefits.
Required application documents	1. resume, 2. personal questionnaire filled in by the candidate, 3. copy of the master's diploma or a doctoral diploma, if applicable, 4. information on the candidate's scientific, teaching and organisational achievements, 5. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the selection procedure, 6. statement under Article 113 of the Law on higher education and science, 7. statement on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University. **Declaration forms (no. 5-7) and personal questionnaire template (no. 2) can be obtained at:** https://cso.uj.edu.pl/en_GB/konkursy
The course of selection procedure	The first stage of the selection procedure is the formal assessment of the submitted documents. Applications which meet all formal requirements are the subject of substantive assessment, during which an interview with the Candidate may be conducted (directly or via electronic communication channels), upon settling the date of the interview with the Candidate. The Candidate has the right to appeal against the negative assessment by the selection board within 7 days from receiving the information about the results of the assessment.

Form of submission	by e-mail to the address: markiewicz@ii.uj.edu.pl title: *Application for a Post-doc position in UNICO*
Deadline for submission of applications	May 19th, 2023
Expected date of the selection procedure settlement	up to June 2nd, 2023
Method of communicating of the results of the selection procedure	by e-mail
Questions	For further information please contact dr Michał Markiewicz, e-mail address: markiewicz@ii.uj.edu.pl

In the selection procedure, the Jagiellonian University follows the principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers.
Jagiellonian University does not provide housing.

On behalf of
the Rector of the Jagiellonian University
Dean of the Mathematics and Computer Science
prof. dr hab. Włodzimierz Zwonek

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, respresented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
   a. conduct recruitment process for the position specified in this job advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
   b. conduct recruitment process for the position specified in this job advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide you personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: markiewicz@ii.uj.edu.pl or by post to the following address: **Wydział Matematyki i Informatyki UJ, ul. Prof. S. Łojasiewicza 6, 30-348 Kraków** or you can withdraw your consent in person at: **Wydział Matematyki i Informatyki UJ, ul. Prof. S. Łojasiewicza 6, 30-348 Kraków.**
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
