Director of a non-faculty, inter-faculty or common unit	Dr Danuta Earnshaw Mossakowska, prof. UJ Director of the Malopolska Centre of Biotechnology
Address	Gronostajowa 7A, 30-387 Kraków

RECTOR

of the Jagiellonian University

announces a selection procedure for the position of an

ASSISTANT PROFESSOR

Group of employees	Research staff
JU organisational unit (place of work performance)	Malopolska Centre of Biotechnology, Core Facility
Field of science	Natural sciences
Discipline	Biological Sciences
Type of employment	Fixed-term employment contract
Working time	Full- time
Planned duration of employment	Fixed-term contract till 31 st March 2025
Expected date of employment commencement	January 2024
Remuneration	according to the Rules for Remunerating Jagiellonian University Employees
Requirements	The selection procedure is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.3) of the Act of 20 July

	<p>2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 165 of the Statute of the Jagiellonian University:</p> <ul style="list-style-type: none"> • holding at least a doctoral degree; • having relevant scientific achievements; • taking active part in scientific life.
Additional requirements and expectations	<ul style="list-style-type: none"> • PhD in life sciences • a commitment to further research development expressed, for example, in the possession of a habilitation thesis in line with the expected discipline may be an additional asset • Excellent publication record in the field of RNA signalling cellular biology • Demonstrated ability to bring in own grant funding • Demonstrated record of international collaborations • Fluent in spoken and written English • Demonstration of excellent team working skills • Demonstration of “can do” attitude • Ability to work across groups with open and sharing attitude • Supervisory skills of masters and PhD students <p>Additional qualifications:</p> <ul style="list-style-type: none"> • ability to analyse the transcriptome and related informatics analysis • having experience in single cell genomics research • having experience of research on neurodevelopmental disorders • having experience of working with mouse models
Job role	<p>We are looking for an exceptional scientist to conduct research in RNA cellular signalling. Malopolska Centre of Biotechnology (MCB) is an international postgraduate research institute within the Jagiellonian University with English as the operating language. We work on the gene to protein to function to translation continuum in three key areas of research. Host-microorganism-environment, macromolecular interactions and cell-signalling, We have a number of research groups across these fields who study RNA protein interactions and structures of these complexes, RNA viruses and various nodal signalling cascades that interact between RNA, RNA binding proteins and diseases such as diabetes. We are looking for a highly accomplished individual for a short term contract valid until 31 March 2025 to bring in RNA cellular signalling know-how including transcriptome analysis to complement our existing groups. Since several of our groups are working on translation to neurodevelopmental disorders, experience in this field with mouse models would be of particular interest. The successful candidate will be treated as an early career researcher and will be supported in applying for grants that will fund their position after the end of the contract.</p>
Scope of duties	<p>according to the Work Regulations of the Jagiellonian University Annex 1 to the Work Regulations of the Jagiellonian University – Model scopes of responsibilities and duties of academic teachers</p>
We offer	<ul style="list-style-type: none"> • stable employment based on an employment contract at the renowned university, • cooperation with the interdisciplinary academic community represented by well-known scientists, • scientific support as well as the possibility of qualifications improvement and professional development, • access to research infrastructure, • benefits in the form of i.a. Multisport card, sports activities, medical packages, group insurance, • additional social benefits.
Required application documents	<ol style="list-style-type: none"> 1. resume, 2. personal questionnaire filled in by the candidate, 3. copy of the doctoral diploma or a diploma confirming the

	<p>candidate's habilitation degree, if applicable,</p> <p>4. information on the candidate's scientific, teaching and organisational achievements,</p> <p>5. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the selection procedure,</p> <p>6. statement under Article 113 of the Law on higher education and science,</p> <p>7. statement on acknowledging and accepting the rules and regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University.</p> <p>Declaration forms (no. 5-7) and personal questionnaire template (no. 2) can be obtained at: https://cso.uj.edu.pl/en_GB/konkursy</p>
Additional application documents	1. <i>Publication list</i>
The course of selection procedure	The first stage of the selection procedure is the formal assessment of the submitted documents. Applications which meet all formal requirements are the subject of substantive assessment, during which an interview with the Candidate may be conducted (directly or via electronic communication channels), upon settling the date of the interview with the Candidate. The Candidate has the right to appeal against the negative assessment by the selection board within 7 days from receiving the information about the results of the assessment.
Form of submission	<p>by e-mail to the address: job.mcb@uj.edu.pl, title: "Assistant Professor Core Facility-356"</p> <p>by mail to: Malopolska Centre of Biotechnology, Gronostajowa 7a, 30-387 Kraków with the note: "Assistant Professor Core Facility-356"</p>
Deadline for submission of applications	till 27.11.2023
Expected date of the selection procedure settlement	till 29.12.2023
Method of communicating of the results of the selection procedure	by e-mail
Questions	For further information please contact, e-mail address: job.mcb@uj.edu.pl

In the selection procedure, the Jagiellonian University follows the principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers. Jagiellonian University does not provide housing.

On behalf of
the Rector of the Jagiellonian University

Director of the Malopolska Centre of Biotechnology
Dr Danuta Earnshaw Mossakowska, prof. UJ

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, represented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
 - a. conduct recruitment process for the position specified in the above advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
 - b. conduct recruitment process for the position specified in the advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide your personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: mcb@uj.edu.pl or by post to the following address: **Małopolskie Centrum Biotechnologii, Uniwersytet Jagielloński, ul. Gronostajowa 7A, 30-387 Kraków**, or you can withdraw your consent in person at **Małopolskie Centrum Biotechnologii, Uniwersytet Jagielloński, ul. Gronostajowa 7A, 30-387 Kraków**.
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
