Date of selection procedure announcement Krakow, March 1, 2024

<i>Selection procedure information number given by the Centre for Human Resources</i>	1227.1101.62.2024
<i>Dean of the faculty</i>	Dean of the Faculty of Biology Professor Joanna Zalewska-Gałosz
<i>Address</i>	Gronostajowa 7, 30-387 Kraków

RECTOR

of the Jagiellonian University

announces a selection procedure for the position of an

ASSISTANT PROFESSOR

<i>Group of employees</i>	Research staff
<i>JU organisational unit (place of work performance)</i>	The Faculty of Biology, Institute of Zoology and Biomedical Research
<i>Field of science</i>	Exact and Natural Sciences
<i>Discipline</i>	Biological Sciences
<i>Number of posts</i>	1
<i>Type of employment</i>	Contract of employment
<i>Working time</i>	Full time
<i>Planned duration of employment</i>	22 months
<i>Expected date of employment commencement</i>	2 nd quarter of 2024
<i>Remuneration</i>	according to the Rules for Remunerating Jagiellonian University Employees
<i>Requirements</i>	The competitive selection process is open for all individuals, who meet the requirements set out in Articles 113 and 116.2.3) of the Act of 20 July 2018 – Law on Higher Education and Science, and who meet the following eligibility criteria according to § 165 of the Statute of the Jagiellonian University: <ul style="list-style-type: none"> • holding at least a doctoral degree; • having relevant scientific achievements; • taking an active part in scientific life;

<p>Additional requirements and expectations</p>	<ul style="list-style-type: none"> • Ph.D. in Biological Sciences or a related field • Documented experience with molecular biology techniques • Documented experience with NGS data analysis • Documented experience with phylogenetic analyses • Fluency in English <p>Additional criteria taken into account:</p> <ul style="list-style-type: none"> • Documented research interests and scientific achievements related to the planned project, for example, regarding the insect biology; diversity, biology, and evolution of insect-microbe interactions; microbiome surveys; comparative microbial genomics, and phylogenomics and insect phylogeny • Knowledge of the Linux / Unix shell • Knowledge of scripting languages (Python / Perl / R) • Willingness to participate in international research travel • Favorable opinions of current or recent scientific supervisors about the candidate's abilities and predisposition for scientific work
<p>Project Title</p>	<p>NCN OPUS 21 Project „The patterns, processes, and drivers of insect microbiome variability” PSP: K/PBO/000883</p>
<p>Program / Project description</p>	<p>We are seeking a candidate for the position of assistant professor at the Department of Developmental Biology and Invertebrate Morphology of Jagiellonian University. The hired person will join a dynamic international team researching the diversity and evolution of insect symbiotic microorganisms, combining high-throughput next-generation sequencing (NGS) and microscopic techniques. The proposed project aims to understand the factors and processes shaping the variability of the insect microbiome. The person employed in this position will be responsible for bioinformatics analyzes of NGS data (genome assembly and characterization, comparative analysis of symbiont genomes, phylogenomic analyses). Depending on their interests, it will also be possible to get involved in research on other aspects of insect symbiosis using a wider range of approaches (fieldwork, microscopy). The task of the employed person will also be to prepare publications and present the results at international conferences.</p>
<p>Scope of duties</p>	<p>according to the Work Regulations of the Jagiellonian University Annex 1 to the Work Regulations of the Jagiellonian University – Model scopes of responsibilities and duties of academic teachers</p>
<p>We offer</p>	<ul style="list-style-type: none"> • stable employment based on an employment contract at the renowned university, • cooperation with the interdisciplinary academic community represented by well-known scientists, • scientific support as well as the possibility of qualifications improvement and professional development, • access to research infrastructure, • benefits in the form of i.a. Multisport card, sports activities, medical packages, group insurance, • additional social benefits.
<p>Required application documents</p>	<ol style="list-style-type: none"> 1. resume, 2. personal questionnaire filled in by the candidate; 3. copy of the doctoral diploma or a diploma confirming the candidate's habilitation degree, if applicable; 4. information on the candidate's scientific, teaching and organisational achievements; 5. declaration of the candidate, confirming that the Jagiellonian University will be their primary place of work, should they be selected in the competitive selection process; 6. declaration under Article 113 of the Law on Higher Education and Science; 7. declaration on acknowledging and accepting the rules and

	<p>regulations concerning intellectual property management and commercialisation in force at the Jagiellonian University;</p> <p>Declaration forms (no. 5-7) and personal questionnaire template (no. 2) can be obtained at:</p> <p>https://cso.uj.edu.pl/en_GB/konkursy</p>
<i>The course of selection procedure</i>	<p>The first stage of the selection procedure is the formal assessment of the submitted documents. Applications which meet all formal requirements are the subject of substantive assessment, during which an interview with the Candidate may be conducted (directly or via electronic communication channels), upon settling the date of the interview with the Candidate. The Candidate has the right to appeal against the negative assessment by the selection board within 7 days from receiving the information about the results of the assessment.</p> <p>The selection procedure is conducted in accordance with The Policy of Open, Transparent and Merit-Based Recruitment Process at the Jagiellonian University.</p>
<i>Form of submission</i>	<p>by e-mail to the address: a.michalik@uj.edu.pl, title: "Assistant professor – OPUS 21"</p> <p>by post to the Institute of Zoology and Biomedical Research of the Faculty of Biology, Jagiellonian University, Gronostajowa 9, 30-387 Kraków with the note: "Assistant professor – OPUS 21"</p> <p>personally in the Institute of Zoology and Biomedical Research of the Faculty of Biology, Jagiellonian University, 9 Gronostajowa St.</p>
<i>Deadline for submission of applications</i>	March 15, 2024
<i>Expected date of the selection procedure settlement</i>	March 29, 2024
<i>Method of communicating of the results of the selection procedure</i>	by e-mail
<i>Questions</i>	For further information please contact the project's PI, at: a.michalik@uj.edu.pl

In the selection procedure, the Jagiellonian University follows the principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers. Jagiellonian University does not provide housing.

On behalf of
the Rector of the Jagiellonian University

Professor Joanna Zalewska-Gałosz
Dean of the Faculty of Biology

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, represented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
 - a. conduct recruitment process for the position specified in the above advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
 - b. conduct recruitment process for the position specified in the above advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide your personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: a.michalik@uj.edu.pl or by post to the following address: **the Institute of Zoology and Biomedical Research of Faculty of Biology, Jagiellonian University, Gronostajowa 9, 30-387 Kraków** or you can withdraw your consent in person at the **Institute of Zoology and Biomedical Research of Faculty of Biology, Jagiellonian University, Gronostajowa 9, 30-387 Kraków**.
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
